DISPLAY CENTRE

Trying to actually picture your new garage, shed, carport or patio can sometimes be very difficult. With this in mind we have built a modern display centre in the heart of Capalaba where you can see many of the different options available. We are also more than happy to meet with you on location and work out what will best suit your home or business.

FEATURES

- Flexibility in design, style and appearance.
- Available in 'attached' or 'freestanding' designs.
- Pre-engineered for ease in council approval.
- Many different types of roofs available to choose from.
- Wide range of colours and roof pitches.
- Choice of D.I.Y Kit or Fully Installed including councils.

"Insulated Panels"

"Outdoor Entertainment"

"Custom Gable"

"Hip Roof"

"Free Span"
